Enhance Your Compliance Expertise
with Foodman Learning Solutions

FATCA & CRS CERTIFIED PROFESSIONAL (FCCP™) COURSE

In the fast-paced world of banking compliance, staying ahead requires a deep understanding of the latest regulations. Foodman Learning Solutions, part of Foodman CPAs & Advisors, offers a comprehensive suite of banking compliance courses, including the online FATCA & CRS Certified Professional (FCCP) certification course. This premier certification is designed to equip financial professionals with the expertise to manage and oversee FATCA and CRS Compliance Programs effectively.

Who Should Enroll?

Ideal for FATCA Responsible Officers, Risk Managers, Compliance Officers, Analysts, and anyone working in a financial institution needing to deepen their knowledge of FATCA and CRS.

Course Highlights

- **Six detailed modules covering global tax compliance initiatives, principles of FATCA and CRS, and the key components of a successful compliance program.**
- **Preparation for roles such as Responsible Officer, with skills in implementing compliance programs.**
- **Insight into FATCA and CRS requirements, challenges, and the steps needed for thorough preparation and execution.**

Key Benefits

- **Understand the essentials of FATCA and CRS, including client and account reporting requirements.**
- **Learn to navigate the complexities of compliance programs, with a focus on risk assessment, governance, reporting, and training.**
- **Gain valuable knowledge that distinguishes you in the field of banking compliance.**

Why Foodman Learning Solutions?

We offer a variety of banking compliance courses, from free and introductory courses to advanced certifications like the FCCP. Our curriculum is designed and delivered by industry experts, ensuring practical, actionable insights.
